Producer may solicit and procure applications either directly or through employees, Independent Brokers, and representatives of Producer who are duly licensed and appointed. 2.2. Appointment. Producer and Independent Brokers shall be appointed as required by state insurance regulations by Pacific Life to solicit sales of the Contracts or be compensated after: (a) Pacific Life has confirmed Producer's qualifications to sell the Contracts after conducting a thorough background investigation; and (b) who have fulfilled all requisite training requirements for the Contracts for which they will solicit sales. Producer shall notify Pacific Life immediately if Producer no longer meets the qualification requirements of applicable state insurance law.

Pacific Life shall have the right in its sole discretion to refuse to appoint any proposed Producer or, once appointed, to terminate or refuse to renew the appointment of any Producer at any time with or without cause upon notice from Pacific Life to Producer. PACIFIC LIFE

3.1.5. Initial Premium. Producer is authorized to collect the initial Premium on the Contracts and shall promptly remit Premiums in full along with the application and any other required documentation to Pacific Life. Upon completion of its review, if Pacific Life deems the fixed annuity product to be unsuitable for the customer, any applicable premium submitted with the contract application will be returned and the contract will not be issued. If the fixed annuity product is deemed suitable for the customer, the contract will be issued and mailed in accordance with the applicable provisions in this Agreement. Notwithstanding the foregoing, the parties understand and agree that Pacific Life does not hereby assume such suitability review obligation as to any products not listed on Exhibit A, and specifically does not assume the suitability review obligation as to any products provided by Pacific Life's Life Insurance Division including its fixed annuity products and all life insurance products.

Producer shall make such material available to personnel of state insurance departments or other regulatory agencies which have regulatory authority over Pacific Life.

ARTICLE IV COMPENSATION

4.1. **Compensation.** Pacific Life will remit to Payee compensation as set forth in the applicable Compensation Schedule, which payments or termination thereof shall be governed by the administrative rules established by Pacific Life in its sole discretion. No compensation shall be earned or payable for Contracts provided by the Life Insurance Division until the premium is received in cash by Pacific Life and the Contract is placed in force by delivery to Contract Owner and a signed policy delivery receipt is delivered to Pacific Life. Compensation due and payable shall be paid within thirty (30) days of Contract issue. Pacific Life reserves the right not to pay compensation on a Contract, the premium for which is paid in whole or in part by the loan or surrender value of any other Contract. In the event that a Contract for which compensation has been paid is terminated for any reason, including, but not limited to by reason of a death prior to Contract issue, the Contract being rescinded, voided, lapsed, surrendered, or exchanged, or the Contract being returned to Pacific Life as a result of a Contract Owner exercising the "free look" provision of the Contract, or a premium for which Pacific Life has been paid being refunded by Pacific Life for any reason, or Pacific Life otherwise determines that a return of commission payment is due, then Pacific Life will effect a chargeback against the Payee. The amount, if any, and the time of payment of compensation on replacements, changes, conversions, exchanges, term renewals, premiums paid in advance, life insurance policies issued on a "guaranteed issue" or "simplified issue" basis, life insurance policies issued on insureds over age 70, and other special cases and programs shall be governed by Pacific Life's underwriting and administrative rules then in effect. No compensation shall be allowed, earned, or payable on any Contract that is reinstated after this Agreement is terminated.

4.2. **Offset.** Pacific Life may offset the compensation that accrues or may accrue under this Agreement by any indebtedness, advance, debit balance, or chargeback that Producer is obligated or becomes obligated to repay to Pacific Life and its affiliated companies. As security for payment, Producer hereby agrees that Pacific Life shall have a first and prior lien against the compensation provided under this Agreement to the extent of such indebtedness, advance, debit balance, or chargeback. Producer agrees to repay Pacific Life any indebtedness, advance, debit balance, or chargeback upon termination of this Agreement that has not already been repaid by offset or otherwise. If Pacific Life has allowed Producer to have one or more Pacific Associate Producers contracted under Producer, then Producer agrees to be jointly and severally liable with Pacific Associate Producers for any indebtedness, debit balance or chargebacks against any compensation paid to the Pacific Associate Producers.

4.3. **Purpose.** The parties acknowledge and agree that compensation paid by Pacific Life pursuant to this Agreement is not intended to influence Producer in guiding clients to particular products, whether offered by Pacific Life or others.

4.4. **Disclosure.** The parties agree to disclose the amount of compensation received or to be received relative to Contracts sold under this Agreement to the extent and in the manner required by applicable law, rules or regulations.

Each party acknowledges that in the course of performing this Agreement, it may learn confidential business, trade secret, proprietary or other like information concerning the other party or third parties to whom the other party has an obligation of confidentiality. Each party agrees that it will use such information only as may be necessary in the course of performing duties, receiving services or exercising rights under this Agreement, that it will not disclose such information orally or in writing to any third party without the prior written consent of the other party, and that it will take at least such precautions to protect the other party's confidential and proprietary information as it takes to protect its own. Each party agrees that it will immediately notify the other party if it learns of any unauthorized disclosure by it of confidential information and to cooperate in any reasonable investigation the other party determines is reasonably necessary as the result of such disclosure.

9.2. **Waiver.** Failure of any of the parties to insist promptly upon strict compliance with any of the obligations of any other party under this Agreement will not be deemed to constitute a waiver of the right to enforce strict compliance.

9.3. **Assignment.** No assignment of this Agreement or of commissions or other payments under this Agreement shall be valid without prior written consent of Pacific Life. Any purported assignment in violation of this Paragraph 9.3 is void.

9.4. **Notice.** Any notice required or otherwise given pursuant to this Agreement may be given by facsimile or electronic mail (but not orally) or by mail, postage paid (including any express mail service), transmitted to the last address communicated by the receiving party to the other parties to this Agreement. The current address for mailing purposes of this Agreement shall be set forth on the signature page.

No Pacific Life Insurer shall have any responsibility or liability for the actions or omissions of the other Pacific Life Insurer under this Agreement.
