Terms and Conditions

1. Definitions.

- All capitalized terms not otherwise defined in this Addendum shall have the meaning set forth in your contract with the Company (the "Contract").
- b. An "Annualized Commission" is an advance of a percentage of first year commissions on New Business to you. Annualized Commissions are computed by multiplying the Annualization Percentage by the first year commission rate for New Business, as specified in the applicable commission schedule. Commissions will only be annualized in Year 1 of the Company Product.
- c. The "Annualization Percentage" is the percentage of first year commissions that the Company will pay you. The Annualization Percentage is identified above and may be modified from time to time by the Company upon written notice to you as set forth in the Contract.
- d. "Annualized Policy" means New Business for which an Annualized Commission has been paid to you.
- e. "New Business" means a life insurance policy issued by the Company for which the Company has received full payment of the first modal premium and all outstanding policy requirements. New Business does not include annuities or unscheduled or excess premiums on universal life products.
- "Unearned Annualized Commissions" means Annualized Commissions for which the first year commission on New Business has not been earned.

2. Annualized Commission Payment.

- An Annualized Commission will be reported as income for tax purposes at the time it is paid to and received by you
- c. The Company will credit first year commissions, as those commissions are earned, against the sum of Annualized Commissions paid on Annualized Policies pursuant to the Automatic Commission Withholding Process set forth in Section 3 below. Any remaining balance of first year commissions, after crediting those commissions against paid Annualized Commissions, will be paid to you as earned.

- d. The maximum annualization amounts allowed as a percentage of Annualized Commissions shall be seventy-five percent (75%), except the maximum annualization for annual policies, which shall be one hundred percent (100%).
- The Company reserves the right to determine the maximum amount of Annualized Commissions to be paid in any calendar month to you.
- f. The Annualization Cap is the maximum amount of Annualized Commissions to be paid on New Business. Such amount shall not exceed: \$10,000.

3. Automatic Commission Withholding Process.

- a. You shall be provided a commission statement via the Company's website, which statement shall accumulate new available Annualization Commissions and generate electronic funds transfers for amounts payable of \$50 or more.
- Annualized Commissions will be deposited to your bank account on the second working day after a commission cut-off is completed.
- c. In consideration for receipt of Annualized Commissions under the Annualization Addendum, you authorize the Company to withhold first year commissions earned on an Annualized Policy until the sum of those first year commissions equals the amount of Annualized Commissions paid for that Annualized Policy.
- d. If first year commissions earned on an Annualized Policy are insufficient to offset Unearned Annualized Commissions for that Annualized Policy, the Company reserves the right to offset any Unearned Annualized Commissions from all first year and renewal commissions otherwise be payable to you.
- e. In the event an outstanding balance of Unearned Annualized Commissions exists despile (d) and (e) above, the Company reserves the right to seek repayment of that outstanding balance from you pursuant to the Contract.
