

Protecting What You Can't Afford to Lose

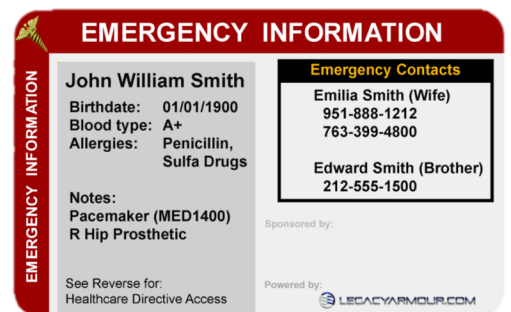

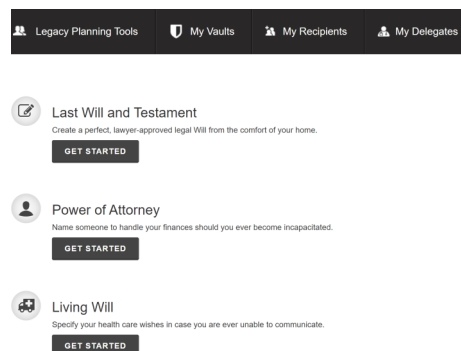

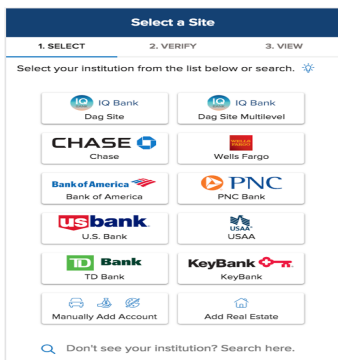

Congratulations, you've got life insurance! That is a huge first step! But now, what are the chances of your beneficiaries remembering what company you have life insurance with and knowing where your policy is when something happens to you? What about your financial portfolio, social media accounts, health directive, estate planning documents and even sentimental videos/photos?

Delivered when the time is right!

Your documents and life records protected and instantly available to those you choose if something should happen to you, and it is all automatically delivered to your recipients when the time is right. They don't have to remember anything!

Everything You Need in One Platform

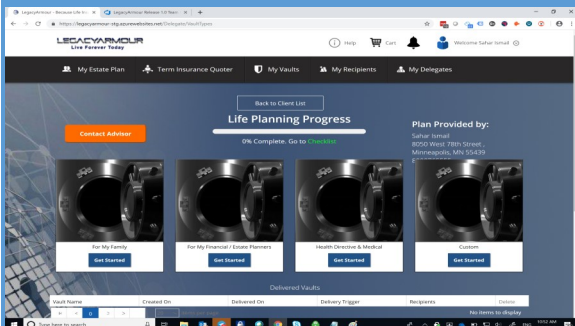

Option to include bank names, account numbers & balances scheduled for delivery to designated recipients using any of the 4 vaults provided.

Three Estate Planning online workflow and guides questionnaire to help you cover all aspects of your estate. You can then download, print and store it in a LegacyArmour vault to be delivered to a loved one if something happened to you.

Wallet card with protected access to your Healthcare directive, blood type, allergies, family contacts and other health information (for emergency personnel to see in case of an emergency).

Protecting all that is important in your life...

- **INSURANCE POLICIES**
- **LEGAL DOCUMENTS (WILLS, POWERS OF ATTORNEY, TRUSTS)**
- **OWNERSHIP DOCUMENTS (DEEDS, TITLES, RECEIPTS)**
- **FINANCES (A LIST OF YOUR ACCOUNTS AND HOW TO ACCESS THEM.)**
- **IMPORTANT PICTURES AND VIDEOS**
- **MESSAGES TO YOUR LOVED ONES**
- **SOCIAL MEDIA ACCOUNTS**

It's Easy!

Choose what will trigger Delivery...

Your vaults can be delivered manually, on a specific date, or only if something happens to you.

Select Who Will Receive Your Vaults...

Each vault can have up to two designated recipients, with instructions from you to them.

Select Delegates ...

Each vault can also have Delegates. These are people you trust who can manage the content of the Vault before it gets delivered -- your attorney or your spouse, for example.

Upload Your Files to The Vault...

Organize your information and upload it to the vault where it is securely stored. Nobody but you and the people you authorize can see the contents. Your legacy is now secured!
