*I have been getting the leads for a few weeks now and they are awesome! I have spent time with many vendors for callback leads and have had minimal success. These leads seem like layups. I can expect no less than 5x ROI on a bad batch and I have been getting closer to 10x ROI or more. Thanks for adding this option!*

I have been with Levinson & Associates for many years. It is a truly amazing company with staff, back office and ownership that second to none. It is a caring company to be associated with, everyone there is patient, professional & knowledgeable.

They recently introduced me to a CRM tool called "Ringy" The quality of the leads are top quality and timely. You actually speak to professional prospects that are interested in protecting their families and speaking with you. leads map and integrate seamlessly right into the Ringy CRM.

This has changed my business, these leads along with the most remarkable CRM tool that I have every seen is bringing my sales to another level. Ringy support is agent friendly & timely. You can always reach them or they call you back within minutes.

Sincerely,  
Thomas M. Zucchetti
